RULES AND REGULATIONS

The following Rules and Regulations are designed to protect the general welfare of the Tenants of Olde Towne Village (the "Community") and the investment of each Tenant and the Community Owner. These Rules and Regulations may be changed from time to time to achieve those purposes. The final decision regarding any changes shall be made by management in accordance with the laws of the State of Tennessee.

Affected Tenants shall be given thirty (30) days written notice of any changes in Rules and Regulations of the Community prior to them becoming effective, except for Rules and Regulations adopted as a result of restrictions imposed by a governmental entity and required to protect the public health, safety, and welfare, which may be enforced prior to expiration of the 30-day period.

Management will not unreasonably withhold its approval of any proposed action for which such approval is required by the Rules and Regulations, but management may condition its approval of certain actions in the manner provided for herein, and the imposition of such a condition shall not be deemed to be unreasonable.
